4 Bedroom, 1.00 Bathroom, 1,344 sqft

Residential on 0.23 Acres

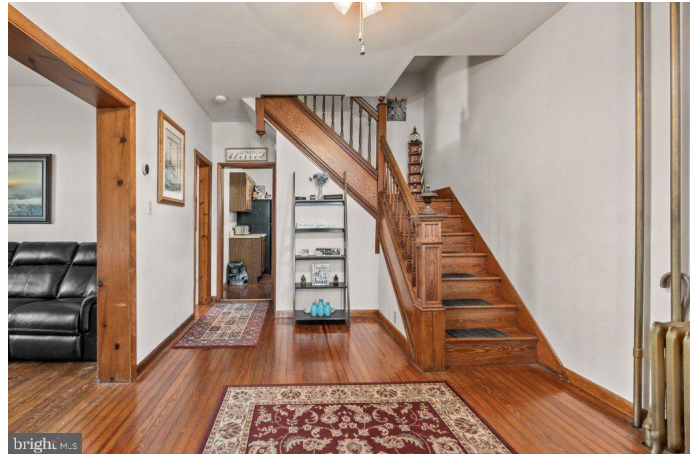

OVERLEA, Baltimore, MD

This house has it all and much more!! The tax records states the house is 1,344sq ft, which may not include the finished attic (23x23) or finished back porch. The main level boasts a mud room, foyer, living room, dining room, kitchen and large enclosed porch across the back of the house. The second floor holds three large bedrooms, an oversized bathroom and stairs that lead to the finished attic. The finished attic was previously used as a bedroom. The unfinished basement has a lot of potential. Make sure you check out the beautiful hardwood floors throughout the main level and second floor, the incredible staircase and the gorgeous textured glass in the mudroom and around the front doors. Relax on the private wrap around porch and enjoy the oversized corner lot. Please forgive the items sitting around...the sellers still live in the house and they are working hard packing for the next owner. Conventional, cash or rehab deals only. House being sold as-is.
